

Icons

1. Whenever you see an anti-clockwise arrow icon, it indicates that an edit history (audit trail) is available. You can click on the icon to view the edit history for that specific item.

-----------	-----------	-----------

3. Whenever you see a [+Number], you can hover over it to view the additional items in the list. The picture below is an example where you can see the [+Number]

image.png

4. Whenever you see a question mark icon, click on it to launch a guided tour of the page. The tour highlights key elements on the page, explains their purpose and how to interact with them.
